

The Centsables®

BRILLIANT BUDGETING CROSSWORD

ACROSS

4. This is what your budget is called when your income is equal to your expenses
7. Got money after you've covered all your expenses? That's called this
9. When you put money aside each week to pay for something later on, you're saving for this
11. A certain amount of money that your parents give you weekly
14. Someone who uses money for charity
15. Which of these things is a need: cookie, water, ice cream?

DOWN

1. Three things to plan on using your money for are spending, sharing and this
2. How much money you make each week
3. The items you must buy in order to live, including food, clothing and shelter
5. These are the things you have to spend your money on each week
6. A written record of how much you earn, spend and save each week
8. These are items you would like to own but that aren't essential
10. Savings grow faster in a bank because you earn this
12. Which of these is a want: ipod, notebook, pencils?
13. Which of these is not a regular source of income: gifts, afterschool job, allowance?
